

TRANS ASIA CORPORATE PARK

In view of Kerala's potential to grow into an IT & ITES destination in India with evolving in-house BPO opportunities, the 'Trans Asia Corporate Park' was launched in January 2005.

The first phase comprising approximately 30,000 sq. was completed and dedicated to the city on 10th April 2006. The second phase of approximately 35,000 sq. was completed end 2007.

The Park is tailor-made to suit the requirements of IT/ITES companies and corporate houses at par with international standards.

Today the Park houses prestigious companies like Eco Lights Systems And Solution (P) Ltd , Red FM (Surya), Club FM , Radio Mango, ,Zamil Steel (P) Ltd, Krythium Solutions (P) Ltd, Alcatel- Lucent India Limited, Vector Technologies (P) Ltd, Sterian Technology Solution (P) Ltd, Maxxion Systems (P) Ltd, Malayala Manorama company limited and The Mathrubhumi Printing & Publishing Company Limited
